LANGUAGE

French	Native
English	B2 level (TOEIC : 865)
Spanish	A2 level
Japanese	Beginner

SKILLS

- **Back-end** : Python, C#, C++
- **Mobile** : Flutter (Dart)
- **Web Development** : React.js, HTML, CSS, JavaScript
- **UI/UX Design** : Figma, Photoshop
- **Computer Vision**: OpenCV

AREAS OF INTEREST

- **Web and Software Development**
- **Travel**: 1 year on an exchange programme in Japan, 3 weeks in California
- **Photography and videography**: Practising with a Sony A6000 camera paired with vintage Canon FL/FD lenses.

INTERPERSONAL SKILLS

- Curious
- Adaptable
- Resourceful
- Teamwork

EDUCATION

2024 - 2027

Engineering Degree Programme (AI Specialisation)

ENSC (Bordeaux INP) – National School of Cognitive Science – University of Bordeaux – Talence

Study abroad (09/2025 - 08/2026)

1 year in Japan (Kumamoto University)

2022 - 2024

Bordeaux Preparatory Course (CPBx) Mathematics/Physics stream

University of Bordeaux – Talence

PROJECTS

2024 - 2027

Projects at ENSC

- **Swipe Clean** project (in production): **Flutter** development for an Android photo sorting application.
- **UX Design** study for the i2c Junior Enterprise: Mobile interface prototyping for a delivery application (**Figma**).
- **Motion Design** study for the i2c Junior Enterprise: Illustration and animation of a gas station terminal interface (Figma, Jitter).
- **Wear OS development**: Design and creation of two customized watch faces.
- **Google Play Console** management: Production release and administration of 3 applications (watch faces and companion app).

Projects in Kumamoto

- **Neural Rendering (ExtraNet)**: Literature review and technical seminar on low-latency, real-time image extrapolation using G-buffers.

WORK EXPERIENCE

Summer
2022 - 2025

Seasonal employee

ALLIX SARL – St Jean d'Illac

Potato grower and packer

- **Warehouse operations**: Sorting potatoes, operating various washing machines
- **Forklift operator**: Managing potato stock
